

Hurry Sundown (Peter, Paul, & Mary)

Am G Am G  
My seed is sown now, my field is plowed.  
C G C G  
My flesh is bone now, my back is bow.

<chorus>:

F C D7 Am  
So hurry sundown; be on your way.  
F G Dm G7 C  
And hurry me a sun-up from this beat-up sundown day.  
G7 C  
Hurry down sundown, be on your way.  
F G7 C Cmaj7 Am  
Weave me tomorrow out of today.

Tomorrow's breeze now, blows clear and loud.  
I'm off my knees now, I'm standing proud.

<chorus>

My sorrow song now, just must break through.  
That brave new dawn now, long overdue.

<chorus>

G C G C  
Hurry down sundown, get thee be gone.  
F Dm G7  
Get lost is the sunrise of a new dawn.  
C7 F  
Hurry down sundown, take the old day,

Wrap it in new dreams, send it my way,  
F C F C  
Send it my way, send it my way.
