

I Never Will Marry

G D9 G sus D
Some say that love is a gentle thing
C D9 G
But it only has caused me pain
C D9 G Em
For the only girl I ever did love
Am D9 G
Gone on that morning train.

Chorus

G D9
I never will marry
G sus D C
I'll take me no wife
G B7 Em
I expect to be single
D9 G
All of my life.

The train pulled out and the whistle blew
With a low and a lonesome moan
She's gone, she's gone like the morning dew
Left me all alone.

(Chorus)

There's many a change in the winter wind
And a change in the cloud design
There's many a change in a young girl's heart
Never a change in mine.

(Chorus)
