

## I Never Will Marry

G D9 G sus D  
Some say that love is a gentle thing  
C D9 G  
But it only has caused me pain  
C D9 G Em  
For the only girl I ever did love  
Am D9 G  
Gone on that morning train.

### Chorus

G D9  
I never will marry  
G sus D C  
I'll take me no wife  
G B7 Em  
I expect to be single  
D9 G  
All of my life.

The train pulled out and the whistle blew  
With a low and a lonesome moan  
She's gone, she's gone like the morning dew  
Left me all alone.

(Chorus)

There's many a change in the winter wind  
And a change in the cloud design  
There's many a change in a young girl's heart  
Never a change in mine.

(Chorus)
