

Last Night I Had The Strangest Dream (Kingston Trio)

A
Last night I had the strangest dream
D **A**
I'd ever dreamed before.
E7 **A** **F#m**
I dreamed the world had all agreed
E7 **A**
To put an end to war.

D **A**
I dreamed I saw a mighty room,
D **A**
The room was full of men.
D **A** **F#m**
And the paper they were signing said,
E7 **A**
They'd never fight again.

A
And when the paper was all signed,
D **A**
And a million copies made,
E7 **A** **F#m**
They all joined hands and bowed their heads,
E7 **A**
And a grateful prayer was prayed.

D **A**
And the people in the streets below,
D **A**
Were dancing 'round and 'round,
D **A** **F#m**
While swords and guns and uniforms,
E7 **A**
Were scattered on the ground.
