

Sweet Haven
By Harry Nilsson

Intro: G Em D G

Chorus:

G
Sweet Sweethaven, God must love us.

C
We the people love Sweethaven.

G
Hurray, hurray, Sweethaven.

G C
Flags are wavin', swept people from the sea,
safe from democracy, sweeter than a melon tree.

G
put here for you and me, we're all Sweethaven.

G
Sweet Sweethaven, God must love us.

C
We the people love Sweethaven.

G
God must have landed here,

why else would he put us here

Where the air is nice and clear

Sweethaven even sounds so near to heaven.

D G
God will always bless Sweethaven (3x)
