

Tender Shepherd
Leigh and Charlap

D Am7
Tender shepherd
D Am7
Tender shepherd
D Em D Em
Watches over all his sheep
D Em
One, say your prayers and
D G
Two close your eyes
D Bm A7 D
and Three safe and happily fall asleep

Tender shepherd tender shepherd
You forgot to count your sheep
One in the meadow
two, in the garden
three, in the nursery, fast asleep.

Tender shepherd tender shepherd
You forgot to count your sheep
One in the meadow
two, in the garden
three, in the nursery, fast asleep.

Distant Melody

Julie Styne - Betty Comden

D Gm
Once upon a time and long ago
A7 D
I heard someone singing soft and low

D Gm
Now when day is gone and night is near
A7 D
I recall this song I used to hear

Em A7
My child, my very own
D B7
Don't be afraid, you're not alone
E7 A7
Sleep until the dawn, for all is well

Long ago this song was sung to me
Now it's just a distant melody
Someone from the past I used to know
Once upon a time and long ago
