Bass Note:

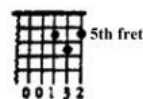

G, Em = 6

C = 5

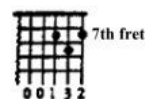

D, F*, G* = 4

The first time ever I kissed your mouth
I felt the earth move in my hand
Like the trembling heart of a captive bird
That was there at my command, my love
That was there at my command

The first time ever I held you near
And felt your heart beat close to mine
I thought our joy would fill the world
And would last 'til the end of time, my love
And would last 'til the end of time
