

The Good Times We Had (Noel Stookey, Peter, Paul, & Mary)

C G  
Times have changed.  
C Am D9  
All the good times that we had . . .  
G  
Are gone now.  
C G  
Pass this way,  
C Am D9  
Only memories will remain . . .  
G  
Tomorrow.

Chorus

G G7 Am D9  
I thought my dreams would be enough for a while,  
G G7 Am D9  
And all the plans that we made.  
G G7 Am  
Hey, we had love, that was all that we had,  
D9 G  
And even that don't seem the same.

Peace of mind.  
Where's the happiness we should . . .  
Be having?  
We can't find,  
Any answers in the good times we had.

(Chorus)
